Memorandum

Date: October 6, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Resolution Authorizing the Release of Unneeded Canal Reservation Lying within Tract 33 in Section 29, Township 54 South and Range 39 East in Miami-Dade County as requested by Avanti 10, LLC

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing the execution of a Miami-Dade County Disclaimer for the release of unneeded canal reservation within Tract 33 in Section 29, Township 54 South and Range 39 East, Miami-Dade County.

Scope

The site is on SW 64 Street between SW 157 Avenue and SW 158 Avenue in unincorporated Miami-Dade County in Commission District 11, which is represented by Commissioner Juan C. Zapata.

Fiscal Impact/Funding Source

This item does not require the expenditure of any Miami-Dade County funds.

Track Record / Monitor

Maria D. Molina, P.E., the Water Control Section Manager within the Department of Regulatory and Economic Resources, Division of Environmental Resources Management (RER-DERM), will be responsible for tasks related to this transaction.

Background

In 1960, the Central and Southern Florida Flood Control District, later known as the South Florida Water Management District, gave to the County a canal reservation in the western area of Miami-Dade County. Under Florida Flood Control District Deed No. 40, the rights in reservation were for canal and water management purposes in connection with the Miami-Dade County Water Control Master Plan over the north 130 feet of the west ½ of the west ½ of Tract 33 in Section 29, Township 54 South and Range 39 East, with total area of 0.49 acres. A location map is included as Exhibit A to the disclaimer.

The property encumbered by the above-stated canal reservation is owned by Avanti 10, LLC, a Florida limited liability company. The property owner has requested the release of the canal reservation within the subject property.

The Miami-Dade County Water Control Master Plan indicates that no canal is proposed within the subject property and the canal reservation is no longer needed for canal and water management purposes.

Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

It is therefore recommended that the Board approve the attached resolution authorizing the execution of a Miami-Dade County Disclaimer for the release of unneeded canal reservation in unincorporated Miami-Dade County in the west ½ of the west ½ of Tract 33 in Section 29, Township 54 South and Range 39 East, Miami-Dade County.

Following the release of the canal reservation by Miami-Dade County, Avanti 10, LLC would need to pursue further release from the South Florida Water Management District and/or other agencies or entities, as appropriate.
